JIMUCHA

a manual of hospitality

Tameel Marshall & Alan Waxman

自

ji - self

The struggle. Trapped in a cell. Trapped in cycles of history and repeating patterns, traits, self destruction, self imprisonment, and the desire for a different life. Hierarchical thinking, seeing the world in terms of black and white, high and low, have and have not. Disconnected, watching 100 problems unfold in your life that you can't prevent. Wanting peace.

無

mu - void

In control of the flow. Mastering failure. Gravitation.
Awake, aware, realizing what life is really worth.
Stumbling on knowledge and knowing beyond
information, beyond identity. Taking life for what it
is. Becoming one with yourself. Accepting nature,
fear, reality. Being at peace.

茶

cha - tea

Sharing knowledge steeped in your experience.
Hospitality. Showing kindness. Being a humble
host and a gracious guest. Having presence of
mind to be here and face reality with another
human being.
